

QLS

QUALITY LIAISON SERVICES

Your Partner for Quality Solutions

QLS links together manufacturers and their suppliers. We bring knowledgeable and responsive personnel to react to quality issues and proactively prevent them before they arise.

Why Choose QLS?

Industry Experience

Since 2004, we have been an integral part in many facilities, performing quality monitoring and conducting continuous improvement.

Quality Experience

Our teams are experienced, knowledgeable and fast. They become experts on your parts. QLS is committed to providing the highest level of service and advocacy.

Instant Response

Response times are critical when quality issues arise. Our project turnaround time is unparalleled in the industry, through our project tracking software, QLS Dot.
